REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

In response to the Ex Parte Quayle action which objects the drawing of the compounds in the table from pages 175-433 of the specification to be too small to be legible, Applicants revised these pages by replacing the compounds with the compounds of the same structures at larger resolution, thus overcome the objection. For Reasons of Allowance of the claims. See the Office Action dated October 25, 2003.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
